

## International Biobanking Summit (IBS) III: Implementing the International Code of Conduct for Genomic and Health-Related Data Sharing

Final Agenda

September 24<sup>th</sup>, 2014  
Helsinki, Finland

This plenary will examine in "real time" the proposed Code via three scenarios that constitute examples of situations when the Code may apply. The audience will be actively involved in the resolution (or not) of these cases presented by researchers using the Code.

10h00 – 10h10	Welcome and Introduction of Speakers: Laura Rodriguez
